An act to add Section ~~12525.5~~ 12525.2 to the Government Code, relating to criminal justice.

### LEGISLATIVE COUNSEL'S DIGEST

AB 71, as amended, Rodriguez. Criminal justice: reporting.

Existing law requires each sheriff and police chief to annually furnish a report to the Department of Justice on justifiable homicides.

This bill would require each law enforcement agency to annually furnish to the Department of Justice a report of specified incidents when a peace officer is involved in the use of force. The bill would require that for each of these incidents, the report also include specified information about that incident. The bill would require the department to include a summary of the annual reports in its annual crime report. By imposing new duties on local agencies, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state,

reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.
